ABOUT MIMS

Momentum Institute of Management Studies (A Unit of Horizzon-The Learning Curve Education Trust) is a Kolkata-based premier institute dedicated to shaping careers in hospitality, hotel management, aviation, and tourism. We believe education should go beyond textbooks, which is why our programmes blend strong theoretical foundations with hands-on, industry-relevant training. From front office operations to culinary arts, from airline services to tourism planning, our courses are designed in step with what the industry actually needs today. Our experienced faculty, modern training facilities, and strong industry connections give students the confidence and competence to walk into their first job ready to perform. At Momentum, we don't just teach hospitality — we help students build lasting, rewarding careers in one of the world's most dynamic service industries.

OUR MISSION

Our mission is to deliver industry-aligned education in hospitality, hotel management, aviation, and tourism, equipping students with practical skills, professional ethics, and the confidence to excel in global careers.

OUR VISION

To be a recognised centre of excellence in hospitality and aviation education, known for nurturing skilled, service-minded professionals who set new standards in the hospitality and tourism industry.

OUR VALUES

We stand for integrity, excellence, and empathy in service. We value discipline, teamwork, continuous learning, and respect for diversity, shaping not just skilled professionals but responsible, well-rounded individuals.
